

## **2009 SVI SC Championships, 5-6 September 2009, MSAC**

There were a lot of pleasing results from the weekend and on behalf of the coaching staff we are proud of all athletes who medalled and importantly all athletes who contributed to the team point-score and all parents who fulfilled the roles of volunteer timekeeping across the weekend.

Our program is in a healthy state across the board and with the support of the club we hope to build on this fantastic result to consolidate ourselves as a Top 5 performer in the state of Victoria.

As a result of this meet the following athletes have been selected to represent Victoria at the inaugural Swimming Australia National Team Championship to be held in Canberra 19-21 September: Maddie Sullivan, Andrew Read, Joel Alati, Raymond Mak and Remy Harvey.
