

To all Tritons Club members,

I will shortly be putting in an order for more club uniforms.

In order to ensure I get the numbers of the most popular sizes right, I would like to know what members would like to order.

I will be ordering club tshirts (new style with picture of a Triton on the front), deck coats and hoodies. I have attached photos, but bear in mind that the deck coats do not have the logos on them yet in the photos. All are in club colours, navy blue with gold/white printing, and the deck coats will have gold polar fleece lining (ideal for cold mornings or afternoons). Parents and supporters are welcome to order items too!

I will be keeping some sizes in stock but I cannot guarantee your size will always be available unless I get a preliminary order now.

I will then contact you when your order arrives and arrange payment and delivery then.

I have some sample sizes available which I will try to get to at least 2 training sessions of each squad, one of which will definitely be Saturday morning from 6 - 8 am. I will take down names and sizes over the next 10 - 14 days so the order can go in as soon as possible.

I will also have them on pool deck each club night as well as other "For Sale" items such as club tattoos and competition caps.

Prices are listed below for all items.

Club Tshirts	\$25
Deck Coats	\$120
Hoodies	\$50
Competition caps	\$12
Tattoos (20 in pack)	\$5

We are currently looking at designs for club towels and shorts leading into the summer season and hope to follow up with track suit pants as well.

Please email me if you have any questions and to put in any orders.

Regards,

Tracey Khan

CA Tritons Uniform Co-ordinator.
